Subject –

In forwarding herewith the entire correspondence received from the President, Magadi Municipal Council with his report No H C 280/36-37 dated 4-7-37, in the matter of levying octroi duty on sugar and cigarettes, I have the honour to state that the Municipal Council resolved at their meeting held on 23-3-1937, to levy octroi duty of 0-0-6 on one rupee worth of cigarettes and two annas on every maund of sugar that is imported into Magadi Town

It is reported that objections were called for within a period of one month from the public regarding the levy of octroi duty on sugar and cigarettes As there were no objections from the public, the Municipal Council finally resolved on 18-6-37, to levy the tax referred to above The municiapl Council expect an annual income of Rs 200/- from these items

At the time of the inspection of the municipal office on 19-3-37, by the Deputy Commissioner, it was pointed out that the income of the Municipality under octroi was very poor and action should be taken to augment its resources The Municipal Council have resolved to levy octroi duty on sugar and cigarettes and the Municipal President recommends that sanction of Government be obtained for the levy

I, therefore, request you to be so good as to obtain sanction of Government for the levy of octroi duty on sugar and cigarettes as resolved by the municipal Council

as resolved by the Muncipal Council

I have the honour to be,
Sir,
Your most obedient servant,
